Dear Mr. Stone:

Enclosed is a copy of an IBLA decision regarding a site on one of Unique Minerals Inc. (UMI) mining claims in T. 17 S., R. 13 W. This decision also confirms the BLM's obligation to require operators to establish an escrow account for the value of any material removed that may be a common variety. This will apply to all of UMI's claims, should any future operations be proposed for them.

I am also enclosing a copy of a February 13, 2004 letter from Gerald McCurdy regarding your expired Notice on a UMI mining claim. In this letter, Mr. McCurdy committed to reclaiming the site "this summer". You are reminded that the Order of Noncompliance issued on January 15, 2004 is still in effect, and that you are in violation of the 43 CFR 3809 regulations. Failure to complete the reclamation will result in the remedial action described the fore-mentioned Order.

If you have any questions, please feel free to contact me at (435) 743-3125.

Sincerely,

Jerry Mansfield
Geologist
